18) One of the objections is that the Sheristedar of the taluk office was not competent in law to issue the said notice dated 25th October 1948 The proviso to Rule 1 (page 45) states that notice shall be given by the Vice-President or in his absence by the Chief Executive Officer of the Municipal Council The notice ought to have been issued by the latter

19) Again, in the notice dated 25th October 1948 the place of election and the reasons for a change of place ought to have been specifically mentioned The notification dated 25-10-48 is also vague for the reason that two dates and timings of two meetings are clubbed together in the same Notification leading to some confusion There appears to be material irregularities affecting the validity of the election

Sir,

Subject - Election of Sri B N Rangappa as Vice President of the Thirthahalli Minor Municipality

With reference to your letter No L 9133 dated 9-2-49 on the subject noted above, I have the honour to state that the Sub Division Officer, Shimoga Sub Division, Shimoga who was appointed to conduct the enquiry under Rule 13 of the Rules of Election of Vice Presidents to the Minor Municipalities has submitted his report after enquiry The report of the enquiry is enclosed herewith

The validity of the election held is disputed on the following grounds -

a) The Sheristedar of the Taluk Office was not competent in law to issue the notice dated 25-10-48,

b) The Sheristedar was not legally competent to preside over the election of the Vice President,

c) Even if the said notice dated 25-10-48 is valid for any purpose, the notice omits to state the reasons for convening the said meeting at a place different from the Municipal Office

d) The said notice dated 25-10-48 furnishes two dates for convening the special meeting viz 16-11-48 and 20-11-48 and specifies the appointed hour as 3 P M and 4 P M in the Meeting notice and in the calendar of events, as also omitting to specify the place of election

e) The said notice dated 25-10-48 prescribes the election of the Vice-President to preceede the special meeting, and as the said notice would have it No special meeting is convened for purposes of the said election

f) the petitioners who went as aforesaid to the Amildar's Chambers at 3-42 P M on 16-11-48 remained there till 5-30 P M and the election of the respondent had not taken place till then

g) Even if the said notice dated 25-10-48 should be considered as valid for any purpose, in no view of the case, having regard to the notice in question, the meeting of the council could have been held after 3-30 P M

h) Preparation of 16 Ballot Papers as against 15 the constituted strength of the Municipality

From the perusal of the objections, the report of enquiry of the Sub Division Officer, and the records, I am of the opinion that the objections detailed in (a) and(e) are regular The Sheristedar ought not to have signed the Notification and the calendar of events as "for President" The election ought to have been held in the Municipal Office alone if special reasons are not stated in the memo calling for the special meeting The issue of notification calling for the meeting and the calendar of events ought to have been issued separately and there ought not to have been any change in the hour of the meeting, as mentioned in the meeting notice and in the calendar of events This has been objected to in (d) and(e) The objections (f) is for conducting the proceedings by the Sheristedar in the absence of the President The objection cannot be considered as tenable in view of the fact that the Sheristedar conducts the proceedings not as "Sheristedar" but as Ex-officio President in the absence of the President

The objections F- G- and H- are not worth serious consideration

In these circumstances, I am of opinion that the irregularities objected to in (a) (c) and (d) are material and vitiate the proceedings and consider that a fresh election should be held to elect a Vice-President after going through the prescribed formalities

Yours faithfully,

Deputy Commissioner I/c
Shimoga District
